

EDUC 203 – Epstein Assignment – Family Engagement – 25 Points Possible
Due: Thursday, April 16

There are **six Types of Involvement** (labeled Types) – for **each type**, you are to select **THREE Sample Practices** and describe how you would actually incorporate each in your future classroom.

You must:

- **Label Each of the Six Types of Involvement** (Type 1: Parenting: Help all families establish home environments to support children as students; Type 2: Communicating – Design effective forms of school-to-home and home-to-school communications about school programs and children’s progress.)
- **List THREE Sample Practices FOR Each of the Six Types of Involvement (6 * 3 = 18 total)** that you could actually incorporate in your future classroom. You can use two of the sample practices listed for each type but at least one practice has to be something you find elsewhere or think up yourself.
- **Describe**, in adequate enough detail that a new teacher with no background knowledge of the document could utilize your suggestions. You must describe what you **would actually do to incorporate each practice in your classroom – this must be detailed! Be specific here – include the grade level or content area you are writing for. Use outside information to support your answers.**
- **Assignment must be typed and edited** – no fancy graphics are necessary here. Can be completely text- based.
