→ The man paying to have the blackmailer killed should not do so because:

STOP – Don't go any further! We need to check each others' responses before we move on! We don't want anyone to continue with incorrect answers. When you are finished – put your pen/pencil on the edge of the table directly in front of you.

After we check Stage 3 – in Pairs:

Level II: Stage 4 Response

What guides this response?

Complete the following statements:

The husband should not kill the blackmailer because:

The blackmailer should not blackmail the couple because:

The man who wants the blackmailer killed should not have it done because:

STOP – Don't go any further! We need to check each others' responses before we move on! We don't want anyone to continue with incorrect answers. When you are finished – put your pen/pencil on the edge of the table directly in front of you.

After we check together – you may do the last one on your own or with a partner.

Level III. Post-conventional Morality

Define Post-conventional Morality:

Level III: Stage 5 Response

What guides this response?

What is a possible Stage 5 response?

You know the drill!!!!

Finally – what would YOU do? Why? Do you agree with Kohlberg's stages? Why or why not? Be specific.
